Giving to our churches – A very big thank you to all those who regularly give to our churches, to support our life together. As we heard at our recent annual meetings, both our churches are struggling to meet weekly costs. If you do not already do so, please consider giving regularly. You can do this by Standing Order which is hopefully more convenient for you, and good for the environment! It may be that you currently give by regular envelope, but might consider changing to a Standing Order. Please also fill out a gift aid declaration if you can, as the church can claim an extra 25% on any donations.
